

# GMS Press Release

## **GMS Language Services® and Maxit Group Announce Training Partnership**

*New agreement opens up new opportunities for Maxit*

Stockholm, SWE; September 16 2009: GMS Language Services®, one of the Europe's leading providers of language and communication training, was chosen as a preferred supplier for Maxit Group.

The aim of the partnership is to increase the current offering of educational services to Maxit's personnel, making increased competence the best response to changing market conditions. The new agreement will provide a variety of language and communication training, specially designed to meet Maxit's specific needs and expectations.

**Yvonne Lundell**, Maxit's HR Manager says: "It was very important for Maxit to find a committed partner with a clear interest in finding the right solutions for us and our employees. GMS' comprehensive offer covers all types of language training needed by Maxit. Their representatives are enthusiastic and passionate about what they do. Taking these factors into account made the decision easy to make."

Tracie Binderis, GMS' Account Manager added: "We're extremely pleased to announce this partnership. Maxit's employees will have the opportunity to receive top-quality instruction, with great support from GMS' team of experts."

### About Maxit:

With more than 100 years of experience, Maxit develops, produces and markets products and services to the construction industry. In March 2008 Maxit became part of the Saint Gobain Group, the world leader in the habitat and construction markets with more than 200 000 employees working in 57 countries. Maxit's head office is located in Solna, Sweden. From the 1<sup>st</sup> of January 2010 Maxit will change their brand name to WEBER.

### About GMS Language Services®:

GMS Language Services® delivers comprehensive, end-to-end global training which includes fully customized face-to-face and online training in language and communication as well as coaching, translation services and interpretation services to corporations and governmental organisations. GMS' unbeatable quality and focus on customer service ensures top quality training across borders with guaranteed excellence and effectiveness.
