

GMS Press Release

SAAB

FOR IMMEDIATE RELEASE

Stockholm, SWE., February 1, 2008

GMS Language Services®– signs exclusive global framework agreement with Saab for – Language Training, Coaching, Communication Training, e-Learning, Translations!

About Saab:

With 13,600 employees globally, Saab’s operations, products and services span all continents in more than 50 countries worldwide distinguishing them as a world leader. Saab has identified in its vision to continue as a leader in global evolution, by power of innovation, competence and creativity. Saab’s ability to constantly develop, adapt, and improve to meet changing customer needs is the key to this success.

Saab prides itself on its successes and flexibility while still taking on challenges.

Saab’s CEO, Åke Svensson, pointed out that internationalisation remains a priority. With this focus comes cultural and professional challenges, increasing the need for uniformity as well as defining a business model allowing them to remain a flexible & innovative company.

With this in mind, GMS Language Services® is an attractive partner for Saab. High quality, cost effective, tailor-made, reality-based training, provides the perfect solution to support Saab’s success in their internationalisation process, both locally and globally.

GMS Language Services® unique approach in nurturing communications with our clients to understand their unique culture and objectives ensures seamless, flexible integration, enabling people and organizations to achieve maximum results.

With this exclusive global framework agreement and a reputation for quality, performance, scalability of services, and development of innovative solutions, GMS Language Services® continues as a global leader, always delivering “Best Value for Money”.

About GMS:

Founded in 1990, spanning 3 continents in over 12 countries, GMS Language Services® is a worldwide leader in language & communication services to the international corporate community and the public sector. Helping people and organizations realize their full potential. GMS’s Managing Director of European Operations, Kathy Falk, commented that “Our global partnership with Saab, reinforces our strategy for working with the very best global organisations.”
