FOR IMMEDIATE RELEASE

London, UK, October 10, 2008: GMS Language Services® signs new Preferred Supplier agreement with Skandia for Language Training, Coaching, Communication Training, e-Learning & Translations!

About Skandia:

Skandia is a market leader offering long-term savings with innovative solutions for investments, pensions, and protection. With its parent company, Old Mutual Plc, Skandia offers its customers services in over 40 countries, primarily South Africa, Europe and the United States .

Skandia has earned a reputation for excellence by being able to constantly outperform the competition, believing that their customers should have the freedom to choose financial products tailored to their individual needs.

Skandia has defined innovation, partnership, and a commitment to service as its three hallmarks for success. They are committed to working in partnership with experts who reflect these values and understand the needs of Skandia and the marketplace.

GMS Language Services® has been a preferred supplier to Skandia for 11 years and it makes perfect sense to expand our partnership for the future.

GMS has an international commitment to our customers. By conducting its business worldwide, GMS aspires to push beyond boundaries to drive value for all our stakeholders.

GMS' core values of integrity and respect are an extension of what we are passionate about, namely providing our clients with a unique approach in nurturing communications through tailor-made, reality-based training, and a commitment that goes beyond money to help them achieve their goals.

With this agreement and a reputation for quality, performance, scalability of services, and development of innovative solutions, GMS Language Services® continues as a global leader, always delivering "Best Value for Money", which is a clear benefit to Skandia and our clients.

About GMS:

GMS Language Services® is a worldwide leader in language & communication services to the international corporate community and the public sector and is focused on helping people and organizations realize their full potential.

GMS's Managing Director of European Operations, Kathy Falk, commented that "Our expanded partnership allows GMS to help Skandia achieve their communication goals throughout the entire organisation. We're very pleased to be part of Skandia's success story."
