

How Important is English for your Business?

GMS Language Assessment Solutions introduces: The Globally Recognized TOEIC Certificate Test

The TOEIC Test is an accurate measure of real English communication skills.

TOEIC is an HR tool that helps you make appropriate recruitment and training decisions.

The TOEIC Test is recognized by employers, governmental agencies and universities around the world by.

Your TOEIC® Test benefits:

- **Internationally recognised standard for the individual and the company**
- Reflects more authentic language skills, based on workplace communications
- **Reveals English-language programme effectiveness and indicates areas requiring improvement**

- **More information to support decisions driven by English-language ability**
- Saves time and money by helping you choose the right person for a position
- **Narrows the applicant pool to only those with the best English skills**
